

EDUCATION

Uxcel Product Design Certification (In Progress)

// January 2023 - Present, Online

Currently pursuing the UXcel Product Design Certification, where I'm mastering essential skills in user experience (UX) and product design. Learning to craft intuitive user interfaces, conduct user research, and create impactful design solutions. Excited to apply these skills to create usercentric products that make a difference!

Google UX Design Certificate

// February 2022 - May 2022, Online

Completed a rigorous training designed for entry-level job readiness. 15 modules included topics like: UX research fundamentals, inclusive design, low-fidelity and high-fidelity prototypes, and tools like Figma and Adobe XD. Completed hands-on projects and [developed a portfolio](#) including 3 projects to receive the certificate.

Interaction Design Foundation UX Design Certificate (Award Best In Class)

// September 2022 - January 2023, Online

The course "User Experience: The Beginner's Guide" greatly enhanced my skills. I deepened my grasp of user-centered design, focusing on empathy-driven approaches for intuitive interfaces. I sharpened wireframing and prototyping abilities, merging concepts with practical application. Additionally, I balanced aesthetics and functionality, resulting in visually stunning designs that integrate seamlessly with modern tech, enhancing user experience.

Meta Frontend Development Certificate

// March 2023 - August 2023, Online

Completing the Meta Frontend Certification equipped me with a range of skills. I honed HTML and CSS abilities for content structuring and styling. JavaScript proficiency enabled dynamic user experiences. In-depth React knowledge facilitated dynamic, reusable component-based applications. The UX/UI Design module emphasized user-centricity, wireframing, and aesthetics, resulting in seamless interfaces. This integration of design and functionality enriched my capability to create visually engaging designs that align with modern technologies.

Scrimba Frontend Development Certificate

// May 2023 - August 2023, Online

Completing the Scrimba Frontend Career Path Certification has equipped me with a toolkit to weave together creativity and code, producing remarkable digital experiences that leave a lasting impact. As I embark on the next phase of my career, I'm excited to bring these skills to the table, collaborating with fellow developers, designers, and creators to craft innovative solutions..

INIME Bachelor's degree (Computer Networks and Telecommunications.)

// October 2018 - July 2021, Niamey, NE

Graduated with 3.3 GPA. Active member of band (flute) and contributor.

EXPERIENCE

UX/UI Designer @Abu Dhabi Department of Education and knowledge (ADEK) - UAE

// June 2022 - PRESENT

Led the end-to-end design process, from concept ideation and wireframing to high-fidelity mockups, resulting in a visually cohesive and user-centered product. Collaborated with frontend developers to ensure seamless implementation of design elements. Actively participated in design critiques and cross-functional brainstorming sessions, fostering a culture of creativity and innovation within the team.

UX/UI Designer (Freelance) @ Elara

// May 2021 - July 2022, UAE, Dubai

During my tenure at Taf House Material, I played a pivotal role in designing user-oriented interfaces that seamlessly blended aesthetics and functionality. Collaborating with developers, I ensured the successful implementation of designs, prioritizing the enhancement of the overall user experience. The result was intuitive and visually striking digital products that resonated with users.

UX/UI Designer (Freelance) @ AMZ Media

// February 2020 - May 2021, UAE, Dubai

At AMZ Media, I collaborated closely with cross-functional teams to design and deliver captivating user experiences. Conducting user research, creating wireframes and prototypes, and implementing pixel-perfect designs, I ensured that the final products aligned with brand guidelines and exceeded user expectations. The projects I worked on resulted in engaging and visually appealing digital solutions.

SKILLS
